Hi Nancy,

I have spoken with John Colin(?) from your office about the proposed visit to San Francisco on June 4. We are delighted to show off our centre to you and your group and have scheduled dinner with you that evening as well. Ken Wong is keen to attend as will I and Trace Wilson. Can you advise me who is coming with you and your approximate timing for that day. I understand you have a meeting with the people from Related Companies that morning and that we can expect to see you early afternoon. My hope is that following a walk thru the San Francisco Centre we will convene in the board room for a presentation on Horton Plaza and then following that, dinner somewhere fabulous!

Thanks again,

Jonathan Bradhurst
