and for humidity at time of installation.

1.7 WARRANTY

- A. Manufacturer's Extended Warranty: Cover materials and workmanship and warrant that synthetic turf system shall meet the following criteria for a period of not less than eight years from date of Project Completion.
 - 1. Materials and installation meet or exceed specified characteristics.
 - 2. Warranty covers all self-manufactured and procured materials.
 - 3. Synthetic turf system shall function for specified uses.
 - 4. Third party insured, non-prorated and non-cancelable warranty pre-paid for 8 years from no lower than an 'A' rated insurance company. The policy must include an unlimited amount per claim. The policy must not have any epidemic failure limitations or restrictions. The policy must not have any deductible and the coverage must be for labor, materials and any other costs to repair or replace each field per the warranty certificate. Policy must cover full 100% replacement value of total square footage installation.
 - 5. Replacement materials for synthetic turf system shall be available during warranty period.
 - 6. Synthetic turf system shall maintain ASTM F 355 G-max between 125-175 for the life of the installation.
- B. Installer's Extended Warranty: Cover defects in installation and warrant that installation was performed in compliance with manufacturer's instructions and recommendations, for period of time matching manufacturer's guaranty and with same criteria specified above for manufacturer's guaranty.
- C. Limitations: Third party warrantee, Manufacturer's Extended Warranty and Installer's Extended Warranty shall be in addition to, and not a limitation of, other rights the District may have against the Contractor and the manufacturer under the Contract Documents and governing laws.

PART 2 - PRODUCTS
