07/07/09	LD	Spoke with Mark Arabo. He denied having any personal involvement with this Committee. He also denied his organization had any involvement in this Committee. He denied knowing who Randy Ibrahim is. He denied knowing who the principals were on this committee or the petition drive. He said that he and his organization didn't get involved because it only affected less than 1/2 of 1 % of his members. He insists his organization is a statewide group and does not generally get involved in local/City issues.
