SUBJECT: Lease agreement between San Diego Civic Light Opera Association, Inc.
and the City of San Diego, Document No. RR-252959

Dear Ms. Phillips,

This letter shall serve as notice by the San Diego Civic Light Opera Association of our intent to end our lease agreement with the City of San Diego for use of Starlight Bowl in Balboa Park effective October 23, 2015.

The overall condition of the Bowl, as documented in the report we had commissioned on the status of the facility, makes it impossible for this organization to continue operating.

We appreciate your support over the years.
