- Public Hearing
- Roll Call Vote Required

RECOMMENDATION:

Authorization to use California Multiple Award Schedule (CMAS) for purchase of synthetic turf at Mt. Carmel High School.

DISCUSSION/PROGRAM:

Mt. Carmel High School's artificial turf field is over twelve years old. The field fabric is well worn and in need of replacement.

The California Multiple Award Schedule (CMAS) offers a wide variety of commodity, non-information technology services, and information technology products and services at prices which have been assessed to be fair, reasonable and competitive. The use of these contracts is optional and available to California State and Local Government agencies.

Although the installation of turf is considered public work, which would otherwise be subject to competitive bidding, the installation portion of the work falls within the Department of General Services guidelines as "incidental" to the purchase of the turf fabric and since these guidelines are in conformity with law, the District requests to purchase synthetic turf and installation from **FieldTurf** using this contract. All synthetic turf fields in the District are currently FieldTurf fields. The product is known to meet all athletic field safety requirements and district staff is trained on the maintenance of the product. In addition, the District's experience with this company has encompassed excellent customer service and excellent product warranties.

With this authorization, product orders can be placed immediately, and the project will be completed over the summer break.

LEGAL REFERENCE: Public Contract Code 10290.1 and 10298

FISCAL IMPACT: **\$451,579** from Community Facilities District (CFD) 11 Funds
