Tim- Please confirm your work schedule:

Serra High School: Replace school logo and **make repairs on the turf** during the week of Spring Break March 30 thru April 3.

Clairemont High School: Replace school logo and **make repairs on the turf** during the week of Spring Break March 30 thru April 3.

Tim,

Ron will be getting back to you on this and it sounds like this is a go for Spring Break.

Thanks

Frank

Frank:

As discussed a few minutes ago, we are ok with allowing the track to be used over the March 30 week while we do work / replace logos at Serra and Clairemont.

So this email confirms we are a go that week.....please confirm both sites agree. Thanks.

Ron....Frank mentioned that you are ok with us doing a 'daisey chain' / 'buddy lock' so my crews have access while most school staff is out on break. Please let me know the best way to make this happen.

Thank you.

Hi Tim and Frank, If Field Turf is a sub-contractor for Byrom / Davey you should probably make arrangements with Byrom / Davey to borrow a key. Please let me know if you should need more help. Thanks, Mike W..

Thanks Frank / Ron. Would it be possible to get a key to each gate or do a buddy lock ?

Tim,

I have sent this to Ron and he will contact both sites to see if this will work. One thing you will need to work out is how you will get into the sites because I don't know if there will be anyone there to open gates for you.

Ron,

Please keep all of in the loop on this so we know what will be taking place.

Thanks

Hi Frank:

As a followup to our conversation..... please confirm that we can have access to both Clairemont HS and Serra HS the week of March 30 for logo replacements and **some remedial work on the fields.** This was the week the AD at Clairemont requested but I need to put several things in motion to make it happenso I appreciate a reply back by tomorrow if possible.

Thanks Frank.
