I don't think the field can be closed down as this group has rented the facilities for many months now.

Debbie, can you cancel CSL?

Hello Flavio,

In order to do the field refurbishing, the field has to be completely closed down. The reason for this, **is that we remove all the infill from the playing surface. The work takes approximately 5 to 7 days to complete.**

Is it possible to have the field closed for our crew from the 28th to the 3rd? Can we have activities moved to another facility or location?

Please let me know as soon as possible as we have crews and material heading your way.

Thank you for your cooperation.
