Erin,

I forwarded the email that I could find on my archive. As you can see, most of them parent questions have been regarding grades for the other two teachers.

Please feel free to call on my cell today if you have any questions. We are on a heightened security level today so I will be put on campus and in classrooms all day.

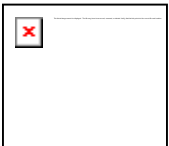

Thanks,

Chuck

Warm Regards,

Chuck

Chuck,

We have to respond to a complaint filed with DFEH by <sup>REDACTED</sup> It states that <sup>REDACTED</sup> <sup>REDACTED</sup>, and Martin Teachworth have all had parent complaints but were kept in their classrooms and not placed on leave. We need to provide as much specific information about this as we can.

Do you have any site records of parent complaints for these people? I need this today if possible, but no later than tomorrow. Sorry for the short timeline!
