

Interveiw with [REDACTED]
9/29/2015

Meeting with [REDACTED] regarding allegations of inappropriate/unprofessional behavior by the school principal Joel Tapia (JT).

JT often touches her.

- Patting her on the back
- Putting his arm around her over her shoulder and saying, "I feel I never see you"
- 9/23/2105 - Sitting in the main office. JT leaves principal's office. Sees [REDACTED]. Approaches her. His right hand touches her right elbow and says, "That's nice. I like this, it's nice." (referencing the jacket she was wearing).

Often commenting on what she's wearing, how she's dressed, how she's wearing her hair.

- Later same day (9/23/2015). JT sees [REDACTED] in the work room. JT approaches her. "Hey [REDACTED]" "Levi's, wow that's nice" (again referencing the jacket)
- "I like the braid." (referencing her hair)
- "You have good style."

Too much attention given to her.

- Still same day (9/23/2015), at the end of the day
- JT sees [REDACTED] in the main office.
- JT to [REDACTED] "You're good?" "I see you smiling." "You're good."

[REDACTED] states the extra attention is too much. It makes her feel uncomfortable.
