Gents:

Having thought a lot more about my conversation with [REDACTED] yesterday, I have decided that I do not want to do Sudberry's and Fenton's dirty work. If they believe in their position, they should have the strength to stand up to the mayor and their other friends openly and directly. In 22 years of practicing law, I have not shilled for anyone and don't plan to start now.

I have all the respect on the world for [REDACTED] and would love to work with him. But not under this scenario.

Thanks for thinking of me, and thanks in advance for your understanding.

Cory
