**Re: Federal Access to DMV Databases – AB 60 Licenses**

Dear Director Davidson,

We know that since the California Department of Motor Vehicles (DMV) began accepting driver license applications under AB 60 on January 2, 2015, over 1 million licenses have been issued.

I am requesting, in writing, the DMV's policy outlining who exactly can access the database of those licenses. Specifically, I would like to know if and when any federal agency may gain access to images of licenses in the DMV's database.

I look forward to hearing from you and I appreciate your time on this matter. If you have any questions, please do not hesitate to contact Dorian Almaraz in my office at (916) 319-2080.

Sincerely,

LORENA GONZALEZ  
Chair, California Latino Legislative Caucus  
Assemblywoman, 80<sup>th</sup> District
